Dr. Madhab Paul, Managing Director
MiTA Services Pte Ltd, Singapore
www.mitaservices.com.sg

Education:

Dr. Madhab Paul has professional education in Management, Law and Engineering. He completed Masters in Management from Asian Institute of Management, Philippines; PG Diploma (ADR – Commercial Law) from NALSAR University of Law, India; and PhD in Civil Engineering from the University of Delhi, with specialization in Offshore Geotechnical Engineering.

Experience:

Dr. Madhab Paul has more than 18 years of experience in working in multiple functions and doing business in more than 12 countries in Asia, Africa, Middle East and Europe. Dr. Madhab wrote several technical papers which were published in professional journals after peer review. He has been invited as speaker in several technical conferences.

Since August 2006, Dr. Madhab is visiting Myanmar every year many times to explore investment opportunities, develop professional networks, attend business meetings and provide consulting services.

Dr. Madhab is heading a 'Team of Experts' of MiTA Services, since 2009, to provide consulting services in market research & due diligence, screening & selecting local partners, contract negotiations and drafting / reviewing contractual documents, as well as, to provide advisory services in corporate planning (holding company, operating company, tax planning, investment protection, etc.), registering companies, setting up new business operations, marketing & business development, securing contracts, project management, managing business operations, fulfilling regulatory requirements including commitments to corporate social responsibilities (CSR).

MiTA's list of clients includes Oil & Gas operating companies, EPC / EPIC companies, engineering consulting companies, training institutes and international developmental organizations, among others. MiTA Services, Singapore, provides management & engineering consulting, liaison and business representation services in Myanmar in association with MiTA Myanmar @ Investment & Strategic Business Consulting Company (ISBC) which is a Myanmar registered local company having office in Yangon.
